1+

4-12 year

1.8 x 1.7 x 2.4 m

4.8 x 4.6 m

4.8 x 4.6 m

1.5 m

## Playfunctions

Climbing equipment, climbing, climbing wall

## Material

Poles are made of an FSC preserved solid pine wood. The top is covered with a pole cap. All metal parts are powder coated aluminum. Connections are, where necessary, covered with a plastic cap. Nets and ropes are made of 16 mm vandal proof Hercules rope.

## Anchorage

The posts are anchored into the ground with galvanized steel ground anchors. These go to a depth of 50 cm in the ground and are attached to the underside with a plate to increase the support. Concrete is not required.

## Comments

When the soil does not contribute to the stability, it may be necessary to add concrete.
