Material

All metal parts are made of stainless steel 304. Wall and roof panels are an outdoor quality colored HPL laminate. Connections consist of stainless steel and, where necessary, covered with a plastic cap. The nets and ropes are made from 16 mm vandal proof Hercules rope.

Anchorage

The posts go to a depth of 50 cm into the ground with at the bottom a steel plate to increase the support. Concrete is not required.

Comments

If the soil does not contribute to the stability it may be necessary to add concrete.
